We are excited to offer to the Guests of The Inn at Quail Run a unique Catering menu. We can design a menu for your Family dinners, Birthday Celebrations, Anniversaries or just an evening without cooking. We offer this service as we are sure the planning so far for your group has taken much effort and coordination. We can have a Dinner awaiting your arrival for your weekend gathering or a Personal Chef in the Inn's Kitchen preparing your evening meal. Please take a peak at our menus and if there is something other than what is listed make sure to ask as we can do just about anything.

We know you will enjoy a carefree weekend as the Inn is a Magical spot nestled within the sweet town of Wilmington, Vermont.

Cheers,

Patti Tiddes
